

# **HAVE YOU BEEN IN PERTH OR THE PEEL OR SOUTH WEST REGIONS SINCE 25 JANUARY 2021?**

**If you have been in these regions of Western Australia since 1:00am AEST 25 January 2021, we ask that you follow the current health advice:**

Anyone who is **already in Queensland** but has been in Perth or the Peel or South West regions **on or since 1:00am AEST 25 January 2021** should be tested for COVID-19 and isolate until they get a negative result.

Anyone who has been in Metropolitan Perth, Peel or the South West regions of WA who arrives in Queensland **from 7.55pm AEST 31 January 2021** will be required to go into 14 days mandatory hotel quarantine.

There are 46 Local Government Areas and two unincorporated areas of Western Australia that are declared COVID-19 hotspots and impacted by Public Health Directions in Queensland.
