More restrictions to ease

This morning the Queensland Government announced further easing of restrictions which will allow more people to gather at outdoor venues and events from 1am, Thursday 1 October 2020:

Change to density requirements

- Outdoor venues with a COVID Safe Plan can increase the number of patrons from one per four square metres to one per two square metres. This includes businesses like outdoor dining, theme parks and zoos.
- Seated capacity at outdoor stadiums, ampitheatres and outdoor performance venues will increase from up to 50 per cent to up to 75 per cent.

Change for events

- The threshold for outdoor events operating under a COVID Safe Checklist will increase from 500 to 1,000 people. More on staging COVID Safe Events.

Specific information on these changes and definitions of outdoor venues will be shared when released.
