

HAVE YOU BEEN IN GREATER MELBOURNE SINCE 29 JANUARY 2021?

If you have been in the Greater Melbourne area, Victoria, since 29 January 2021, we ask that you follow the current health advice:

Anyone in Queensland who has been in Greater Melbourne since 29 January 2021 should be tested for COVID-19 – even if you do not have symptoms – and isolate until you get a negative result.

Anyone who has visited venues of concern in Greater Melbourne should:

- Isolate for 14 days as per advice from the Victorian Government;
- Call Queensland's 13HEALTH (13 43 25 84).

The Greater Melbourne area comprises 31 Local Government Areas. For further information, please visit www.health.qld.gov.au
